AbbVie Biopharmaceuticals GmbH Taiwan Branch ("AbbVie"), cordially invite you to participate 2024 Botulinum Toxin Academy Movement Disorder and Adult Spasticity dated October 12, 2024 (the "Event"). AbbVie agree to reimburse you for reasonable and necessary expenses, e.g. meal, transportation, registration fees, of attending the Event. The primary purpose of the Event is to provide medical education and facilitate scientific exchange. The access to the Event is restricted to the invited healthcare professionals. The invitation to the Event is not conditional upon your implicitly or explicitly recommending, administering or prescribing AbbVie products nor your offering AbbVie or AbbVie products any preferable treatments. By attending the Event, you consent that AbbVie, its affiliates and any authorized 3rd party may, in accordance with the applicable law(s), collect, process and utilize, including internationally transfer, your personal information, including but not limited to your picture(s) in the Event, for any reasonable purposes such as organizing, conducting, auditing of the Event.
